

Choose yourself

Paroles et musique : Claude Noah

In the shadow of doubts, seek clarity
Every step you take, a world to create
The scars shine, like stars in wakefulness
Every pain gives you the strength to dream

The storms pass, but you, you are here
Look up, the sky extends its arms to you
Forgotten dreams, like awakening flowers
A new breath, the dawn of a sun

Wipe your tears, choose yourself
You have sorrow, but look there
Life opens your arms
For now, you don't see
Choose yourself, believe in yourself, that's the real journey

Essuie tes larmes, choisis-toi
Tu as de la peine, mais regarde là
La vie t'ouvre les bras
Pour l'instant, tu ne vois pas
Choisis-toi, crois en toi, c'est ça le vrai voyage

When the heart beats hard, it learns to love
Every failure is a step towards a dream to trace
The winding paths lead to light
Know that after the rain, life is a mystery

Look ahead, leave the past
Memories fade away, but you can move on
The wind blows hard, carries away fears
You are a warrior, make your heart bloom

Wipe your tears, choose yourself
You have sorrow, but look there
Life opens your arms
For now, you don't see
Choose yourself, believe in yourself, that's the real journey

Essuie tes larmes, choisis-toi
Tu as de la peine, mais regarde là
La vie t'ouvre les bras
Pour l'instant, tu ne vois pas
Choisis-toi, crois en toi, c'est ça le vrai voyage

Choose yourself

Paroles et musique : Claude Noah

When the sun rises, remember
The stars fade, they shine for you
Every day is a journey, a step towards tomorrow
Wipe your tears, together we take the path

Wipe your tears, choose yourself
You have sorrow, but look there
Life opens your arms
For now, you don't see
Choose yourself, believe in yourself, that's the real journey

Essuie tes larmes, choisis-toi
Tu as de la peine, mais regarde là
La vie t'ouvre les bras
Pour l'instant, tu ne vois pas
Choisis-toi, crois en toi, c'est ça le vrai voyage

Essuie tes larmes

Wipe your tears, choose yourself

Essuie tes larmes

Choose yourself, believe in yourself, that's the real journey
